### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below, which cancels withdrawn claims directed to a non-elected invention pursuant to MPEP 821.01. Where a reply to a final action has otherwise placed the application in condition for allowance, the failure to cancel claims drawn to the nonelected invention(s) not eligible for rejoinder or to take appropriate action will be construed as authorization to cancel these claims by examiner's amendment and pass the application to issue after the expiration of the period for reply.

Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Cancel claims 21 and 25-54.
